Name: SPEED MOTORS PRIVATE LIMITED Rating: 4.4 Number of Reviews: 1108 Reviews: 1. Name: Mohd Arshad Rating: 1 I bought new bmw 310 rr a week ago ...I am constantly experiencing clutch issues. The bike is not picking up and producing a lot of sound. I went to service centre, they assured me that they fixed the bike but next day the same issue again came up. The bike is still at bmw service centre and I have no clue as to why my new bike is experiencing this issue. I need urgent help from the bmw India team as my trust is broken and I don't know if I have new or refurbished bike 2. Name: siddhartha mishra Rating: 5 I had an exceptional experience at BMW Speed Motors! I want to make a specific mention of Mr. Mukul Tripathi, the Sales Consultant who assisted me. I walked in with a lot of questions, and the way he handled every single query was impressive. What stood out most was how he completely changed my perspective on the BMW X1. His deep product knowledge and genuine advice helped me see value in the car that I hadn't noticed before. If you are looking for a BMW, I highly recommend asking for Mr. Mukul—his professionalism and expertise are top-notch. 3. Name: Shashank Tiwari Rating: 5 It was really amazing and memorable experience of delivering of the car. Thanks to Anas & Parampreet to make this experience memorable for our family 4. Name: Fd Kd Rating: 1 Disappointing service experience For a premium brand, the service experience here was extremely disappointing. My car remained unusable for weeks due to delays, poor communication, and lack of urgency from the service team. Multiple follow-ups were required with no clear timelines. Ghanshyam keeps changing dates every single time without providing prior communication. When you invest in a luxury vehicle, you expect efficiency and accountability—sadly, that was missing. This experience seriously takes away from the premium ownership promise. 5. Name: Arun Sinha Rating: 1 Worst service experience. I had to get my vehicle fixed, but Ghanshyam at BMW was extremely uncooperative. He did not pick up calls despite repeated follow-ups and showed very bad behaviour when contacted. On top of that, he kept giving vague and misleading information, which only delayed the repair and created unnecessary confusion. This is unacceptable from a brand like BMW. Strongly disappointed with the professionalism. Source: EY Network Alliance Databases
